Your gift to the Ft. Pitt Division TCA is tax deductible!

In 2005 the FT. PITT Division achieved 'charitable organization' status under the IRS code (501-C-3 status). We now can ask for your financial support of the division activities not only through dues, but through a tax-deductible donation.

Please support your Division with your dues, and, as you wish, through your tax-deductible contribution to the Redman & Fraley Memorial Fund. All donations are gratefully acknowledged.

The TCA Fort Pitt Division Board of Directors are always looking for ways to save money and deliver more benefits and services to our members. As one way to this, we are asking everyone to include a current email address so we can improve communications with our members.

Your Annual Dues provides support for all the Division programs. As well the Redman & Fraley Memorial Fund provides ongoing support for Division activities, in addition to supporting the educational and charitable efforts of the Division and the National TCA.

If you would like to pay your dues at a Division event, such as a meet, please give your dues directly to Joe Kraynik, not anyone else to assure you get credit for paying.

Thanks for your support, **Board of Directors**
